APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all existing rights on the source and with the understanding that all of the water herein granted will be returned to the stream at the point designated in the application, free from deleterious matter, and with the further understanding that the proof of beneficial use, when filed, will show the power generated and the amount of water required and used therefor. A suitable measuring device must be installed and accurate measurements of water placed to beneficial use be kept. The State retains the right to regulate the use of the water herein granted at any and all times.

A suitable measuring device shall likewise be installed just downstream from the point of return designated on the application.

This permit is issued for a non-consumptive use of the water diverted. The water diverted will be returned to the source undiminished in quantity or quality.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed..... 2.5cubic feet per second,..... limited to the
non-consumptive use of 1809.94 acre-feet annually.

Work must be prosecuted with reasonable diligence and be completed on or before..... April 8, 1987

Proof of completion of work shall be filed before..... May 8, 1987

Application of water to beneficial use shall be made on or before..... April 8, 1989

Proof of the application of water to beneficial use shall be filed on or before..... May 8, 1989

Map in support of proof of beneficial use shall be filed on or before.....

Completion of work filed..... APR 26 1985

Proof of beneficial use filed..... JUL 14 1989

Cultural map filed.....

Certificate No. 13177 Issued DEC 3 1991

IN TESTIMONY WHEREOF, I..... PETER G. MORROS
State Engineer of Nevada, have hereunto set my hand and the seal of
my office, this..... 8thday of..... April
